

## **U.S. Army Regional Environmental Offices (REOs)**

[www.aec.army.mil/usaec/reo/index.html](http://www.aec.army.mil/usaec/reo/index.html)

**Organization's Role in Public Involvement.** The Army Regional Environmental Offices work to increase transparency and awareness of Army/DoD environmental issues with representatives from two main stakeholder groups: regulatory agencies at regional and state levels, and legislative agencies at state and county levels.

**Interested in more information? Contact:** Adriane Miller, Army Northern Regional Environmental Office (Horne Engineering Services), 410-436-7098,
